

Corporate Overview

Vergence is dedicated to delivering high-quality solutions and expert knowledge in a multitude of industry verticals including banking and finance, energy, retail, healthcare, and more.

Our strategy is simple...build a lasting bi-directional beneficial relationship. We do this by following our core values: Respect, Professionalism, and Courteousness. We combine our strengths in process innovation, business consulting and technology to solve problems.

Efficiently. Effectively. Every time.

Our Approach

At Vergence, our mission is to meet our customer's most problematic business challenges with our resourcefulness and agility. We provide custom solutions and services in cutting-edge information technology, business process improvement, and healthcare.
